

About Kevin

Kevin Bird is a popular and much sought-after Essex based magician. He can often be found entertaining at one of the more prestigious venues in London or the Home counties, enthraling audiences with his own unique style of magic.

Kevin has over 20 year's experience and is an Associate of the Inner Magic Circle. He joins a small elite band of magicians, worldwide, who have been awarded the celebrated 'Silver Star' for his achievements, the highest accolade for performance the world famous Magic Circle bestows.

Mix and Mingle

Kevin can mingle amongst your guests, performing amazing sleight of hand for individuals or small groups of people, which is perfectly suited for your drinks reception, garden parties, business or product launch. It is also a wonderful ice breaker, where Kevin's magic gives your guests or clients, who may never have met, a common talking point, generating a relaxed and enjoyable atmosphere.

Magic at the Table

Kevin can entertain your guests at their table with unbelievable skill and dexterity as large coins pass through glass into a sealed bottle or even through clients' heads, signed cards vanish and reappear in the most impossible locations! Money is produced from flaming paper, minds are read and the most amazing predictions are found to be true!

Cabaret Magic

Kevin's hilarious cabaret act regularly enraptures and amuses crowds wherever he appears. Items seem to vanish and reappear at will, a shooting routine with an unbelievable conclusion, the sound system vanishes, and the incredible production of a full size bowling ball, are just some of the effects Kevin performs. He combines superb magic with very funny material and visual gags with abundant self-effacing charm, which is the perfect choice for your after dinner cabaret.

Wedding Magic

Kevin can perform at your wedding reception, mixing with your guests, entertain them whilst waiting for the photos to be taken, at the table during the wedding breakfast, or afterwards when they are relaxing in the grounds of the venue or waiting for the room to be re-set for your evening function.
